

MST Release Notes

Build: March 18, 2024

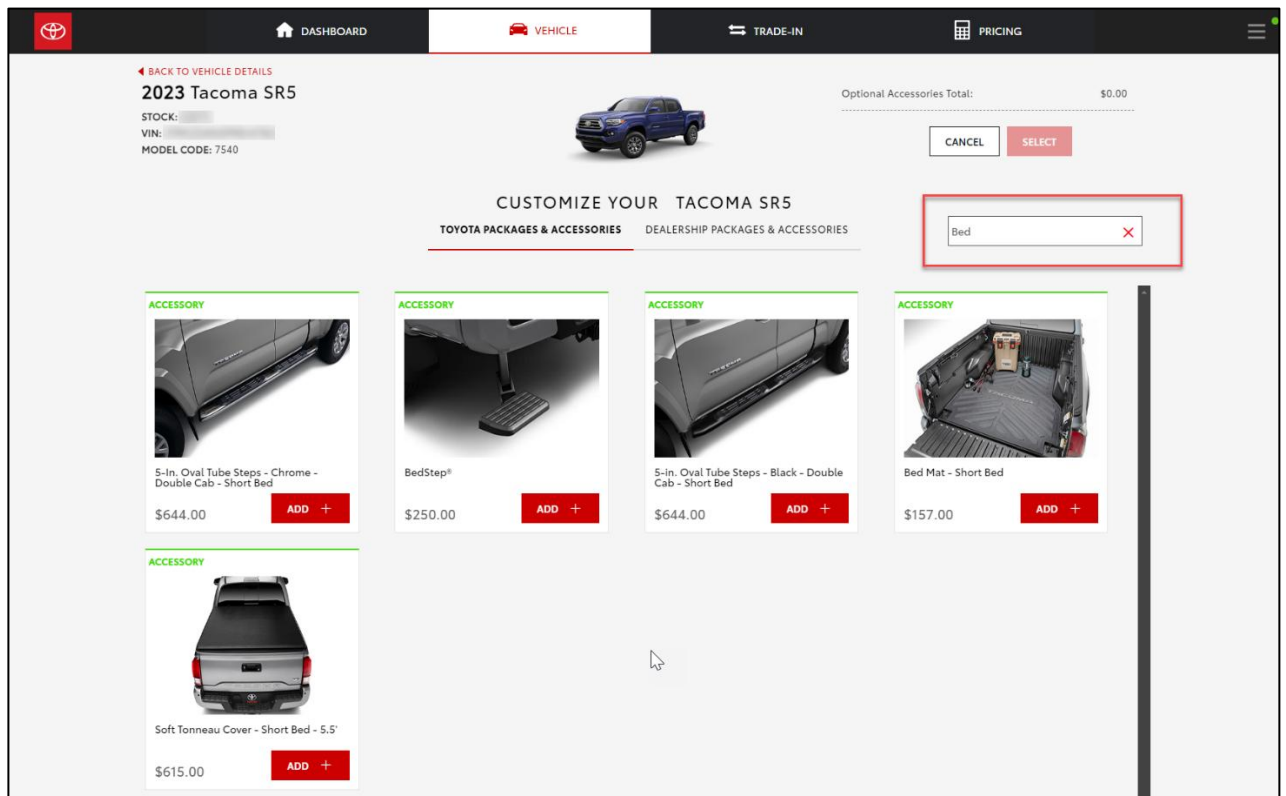

The following enhancements will be implemented in the June Mobile Sales Tool – Showroom Release.

MST Enhancements

Search Accessories

The Accessories page on MST will now feature search functionality to allow users to quickly filter and identify specific accessories. The search function works for both Toyota and Dealer accessories and will begin filtering as you type in the search box.

Trade-in Screen Redesign

The Trade-in Screen has been redesigned to organize input fields by categories and improve the layout. The trade-in photo section has been collapsed into an expandable tray on the right-hand side and opening the tray exposes the normal photo functionality.
