Dear Sir;

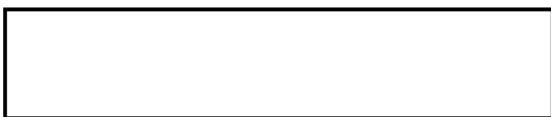

After seeing the composite picture and reading the article in the star sometime ago. It has haunted me until I finally found ~~old~~ picture of a man that to me is a younger version of your picture.

So I called the star and had them give me your name and where you were located I called 4-8-78 to your office and talked to a [redacted] and he told me to send the picture. I am doing this in hopes that it might be what you are looking for. The last I heard

of this man

If you need any more information  
and I can help I will gladly do so.

① Dear [redacted]

b6  
b7c

Say-jacker Cooper is dead. I now remember being told this in 1984 and can remember being told that the pictures of a parachutist who jumped out [redacted] It was supposed to be a military picture. Four people were in the picture - the one [redacted] who'd just jumped out, the pilot, the one who took the picture, and [redacted] who in the [redacted] El Dorado County using the name [redacted] (I do not believe that this is his true name. I think that it may be [redacted] or [redacted])

There is another man who you need to check out. He used to live in River Pines [redacted] who now live at [redacted] [redacted] Placerville, CA - ph. # [redacted] This man looked like Cooper and was definitely a [redacted] person who appeared to [redacted] ref. I saw him outside his house he often hurried in. And if I knocked on his door after I saw him he wouldn't answer. I thought that he must be really shy and I couldn't understand why he seemed frightened of me. Sometimes he said "hi," but usually if he saw me he'd take off. I never saw him any other place in River Pines. But I often saw him following [redacted] home from evidently the Placerville area. They [redacted] for many years. One night [redacted]

b6  
b7c

[redacted] I do not remember the man's name.

I was told in the last year that the man who mentioned the

house is a [redacted]

b6

[redacted] She told me this several times.

One day [redacted] told me that that [redacted]

[redacted] used to be in the air force. Her mood was high and she acted like she had a secret. [redacted]

b6  
b7c

Another family of friends to the people I've just mentioned are  
the [redacted] of Silver Pines. [redacted]

b6  
b7c

About the same year that I was shown the plane pictures  
of "Cooper" - [redacted] were talking about what a wonderful guy  
their friend who'd died was. He was [redacted]. This was  
probably in 1984.

Another man who may have been in the "plane pictures"  
[redacted] and used the name [redacted]

b6  
b7c

His other address was [redacted] He supposedly was in  
the military with [redacted]. They call him by a different name.

Another man who may be in the "plane pictures" is a [redacted]  
[redacted] Silver Pines.

At the [redacted] plane picture meeting was an [redacted] who  
I'd never seen before that day. He removed the plane pictures from  
his trunk and left them with [redacted] before he left. He [redacted]  
[redacted] and no matter where he live [redacted]

b6  
b7c

There was another man there who I had met  
before. He is [redacted] He had my friend  
introduce us as teenagers because he thought I knew [redacted] I'd  
never heard of him [redacted] He has a [redacted] He told us  
that [redacted] years before and he never heard from  
him again. [redacted] has the same deviant look in his eyes as [redacted]

Rumors from long ago were that [redacted]

Can't remember at this time what [redacted] also married [redacted]

[redacted] told me. But he said that they were still around.

On the day of the "plane-picture" meeting decides discovering that [redacted] I also was told that [redacted]

[redacted] who uses the name [redacted]

I am pretty certain that they said [redacted]

Not long after the "plane-picture meeting" [redacted]

At this time I am

unable to remember [redacted] true name.

The man in the picture I sent you was supposed to be a military friend. He has a resemblance to [redacted] The other man whose face you can see is [redacted] who worked for [redacted]

b6  
b7c

I hope that you will do an investigation of the information I've given you. Please at least check out [redacted] Please don't go through the Sacramento F.B.I. or the C.A. Justice Department. They are corrupt.

# ONE DAY FROM NOW

## away for skyjacker who jumped with \$200,000

PORLAND, Ore. (UPI)—A little more than a year from now, D. B. Cooper could be home free.

Thanksgiving begins a 365-day countdown for Cooper—the nation's only successful parachuting skyjacker—who used highway flares as a bomb threat to extort \$200,000 from Northwest Airlines.

The statute of limitations on the hijacking charge against Cooper is five years. The phantom figure vanished after parachuting from a Northwest Airlines 727 with his loot on Thanksgiving eve, 1971.

Whether he survived the jump or his body is down at the bottom of a deep lake, hung in a tree, or his remains scattered by animals are some of the intriguing questions left unanswered, so far, by an extensive investigation.

"IT'S A VERY MUCH active investigation," said a senior FBI agent who has spent many hours on the case. "We have run down literally thousands of leads and eliminated hundreds of people as suspects."

"My personal guess is that there is just a 50 per cent chance that he is still alive."

The lack of distinguishing characteristics about the dark-complexioned, middle-aged man dressed in conservative clothing and his ability to move unobtrusively before the hijacking have thwarted the FBI's intense efforts to determine how he arrived at Portland International Airport that wet, squally night.

He paid cash for his Portland-to-Seattle flight and then spent 50 minutes in an airport waiting area before boarding without one fellow passenger remembering him.

SHORTLY AFTER takeoff, Cooper handed a note to a stewardess which said, "I have a bomb in my brief case."

The FBI agent said that the stewardess described the wires attached in Cooper's attache case to what she thought were eight sticks of dynamite, the same color as her red uniform.

"Dynamite is not color coded this way. She was describing highway flares," the agent said.

The agent said there was doubt Cooper was an experienced parachutist because he took the two worst possible

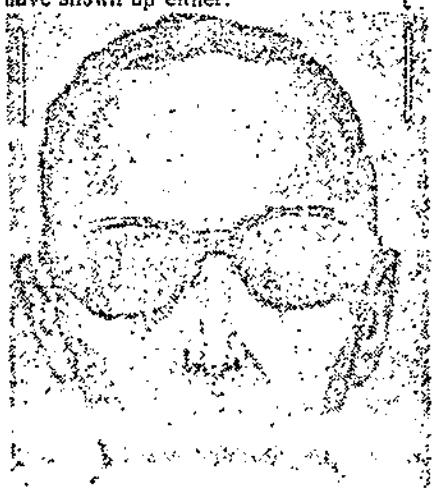

choices of the four parachutes given him at the Seattle-Tacoma Airport, where he obtained the \$200,000 in \$20 bills.

THE AGENT said the chest chute the skyjacker took was one that was sewn together for use in a parachute assembling class and could not even be used for jumping, and the back chute was much smaller than the large chute he cut up to wrap the money in and tie it to him.

A world champion parachutist was quoted by the agent as saying "the amount of money" could induce him to make the jump Cooper did. Jumping from 10,000 feet into heavy rain clouds, there was no way Cooper could have known where he was coming down, according to the FBI man.

The FBI says Cooper came down about 12 miles north of Portland in an area four miles by six miles.

DESPITE AERIAL and ground searches, including one the next spring using soldiers from Fort Lewis, Washington, clues to his disappearance have been few. None of the 10,000 bills in ransom have shown up either.

Dear Duane:

If I ever look at the Milico Memo and don't see your name, I will have to assume that you are either sick or on vacation; because you are doing such a consistent job of producing that your name is always among the leaders, week after week.

Congratulations and thanks very much for the effort that you are putting forth. I'm sure, however, this week you are probably just as proud as I am to see  a few bucks ahead of you on this particular Milico Memo. You're both doing a great job!

Dear Duane:

It seems like every week you are either first or second on the Milico Memo in submitted annualized premium. This week is no different than most; you are Number Two in the Company with \$1,420 of submitted annualized premium. You're doing such a great job that it gets difficult for me to write an original kind of letter to congratulate you, because you are forcing me to do this every week.

Keep up the good work!

## Dear Associates

No question in my mind but that this was in many ways our most successful MY MONTH Production Period — the reason, the quality of business that you wrote was the very best since we started the Company in 1951. I want to personally express my appreciation for your efforts in this great achievement.

Rhetoric is fine; but talking about WINNERS is better.

### CATEGORY "A" WINNERS

#### 1973 MY MONTH WINNERS — LIFE (Production Periods 1 — 6)

Our Leading Agent was [REDACTED] of Pittsburgh. [REDACTED] has been with American Income for about [REDACTED] years. His renewals for the month of June were about \$1200. He has not only been one who has produced a large volume of business, but his persistency is about TEN POINTS above the Company average. He is living proof that you can write a large volume of business and write it right. [REDACTED] It is a pleasure to award you [REDACTED] in American Income stock, and with a continuing effort such as you are making, I predict it is going to be worth a lot more in a very short time.

b6  
b7C

Runner-up was DUANE L. WEBER of Georgia. Duane has been with American Income a relatively short time and already his renewals are about \$600 a month. He is living proof that American Income provides an opportunity for a young man without capital who wants to start in business for himself and have no restrictions on how far up he can go in the world of business. We are all indebted to Duane not only for his marvelous performance but for providing us with the best presentation on the DOUBLE DL P that I think any of us has ever heard. Duane's persistency is also way above the Company average, it being 70%, and going up steadily.

Second was [REDACTED] of Texas. [REDACTED] has been the mainstay of our Texas production for many years and he does his great work so quietly that he doesn't get anywhere near the recognition to which he is entitled. We are going to see that you get it at the MY MONTH banquet, [REDACTED]. His persistency is 75% and his renewals average \$600 a month.

b6  
b7C

Our Third Runner-up was [REDACTED] who is, as I have indicated to you before, a great concert violinist. His State General Agent, [REDACTED] says that if everyone was like [REDACTED] there wouldn't be any need for company presidents or state general agents. I always am amused by guys who talk about how busy they are: [REDACTED] spends twenty hours a week practicing his violin, plus playing concerts, and the rest of the time he is selling insurance. His persistency on Life is 75%, and his renewals are over \$500 a month.

Our Leading General Agent in DIVISION I was [REDACTED] of Atlanta. I always believe in telling it like it is — [REDACTED] persistency left much to be desired. I therefore am pleased to congratulate him doubly: First, because his agency persistency has shown the GREATEST IMPROVEMENT of any agency since January — it's up almost ten points. Secondly, because he led all of the American Income General Agents.

b6  
b7C

Our Leader in DIVISION II was [REDACTED] of Florida. He is a methodical, conscientious General Agent. He trains his men exceptionally well. He has been a General Agent for about a year. You remember I was telling you about the 24 poles that you had to pass to be a General Agent, and each pole represented 20 DOUBLE DL Ps in a month. In less than a year [REDACTED] renewals are over \$1200. You are an inspiration to all of us [REDACTED]

Integrity is a much more meaningful attribute than truth: it requires that when one has more knowledge than the individual with whom one is dealing, he feels it incumbent upon himself to protect the other's interest. Many a misdeed can be committed in the name of Truth, but not so when one has integrity.

Dear Duane:

The March 18 Milico Memo shows you Number Two in the Company, with over \$1,000 of paid annualized individual premium. At the same time, I noticed that you submitted practically \$800 of annualized premium that same week. You're doing the kind of a job this year that certainly should put you in contention for Agent-of-the-Year during 1974.

and it got him the honor of being among American Income's Leaders. He has been in the insurance business for many years, but he has found his home here at American Income - his \$400 a month renewal account is a great convincer. Isn't it, Steve?

Our Third Runner-up was [REDACTED] whom we have already had the pleasure of referring to as one of the Winners in Year-to-Date.

b6  
b7C

Our Leading General Agent, Division I, was that great [REDACTED]. He loves to see his name in print and he knows the best way to do that is by being the Leader.

The Winner of DIVISION II was [REDACTED] is one of these middle-aged dynamos American Income is privileged to have. He hasn't had his General Agency too long - it already has renewals in excess of \$1000 a month. He is one of the most conscientious Life men I've ever known. He believes in selling people what they need, and his persistency reflects it.

Our Leading State General Agent in DIVISION I was [REDACTED]

Our Leader in DIVISION II was, guess who? [REDACTED]

##### 1973 MY MONTH WINNERS - A & H (Production Period 6)

Guess who the Leader was? None other than that lovable [REDACTED] Yes, it's the SAME [REDACTED] b6  
who was Runner-up in Year-to-Date. He wrote almost \$10,000 in Annualized A & H. b7C

First Runner-up was DUANE WEBER. There were four categories in which an agent could win, and DUANE QUALIFIED IN ALL FOUR. That's really something.

The Second Runner-up was [REDACTED] who qualified in THREE DIVISIONS.

The Third Runner-up was [REDACTED]. I know one thing: If [REDACTED] had known he was this close, he wouldn't have been satisfied with just being the winner of the Year-to-Date Contest. He would have worked just a little harder to win the Number 1 spot for the MY MONTH Production Period.

Our Leading General Agency, DIVISION I, was L-M-S, who ALSO, as you will recall, were the Leaders in Year-to-Date.

Our Leading General Agent in DIVISION II was [REDACTED] - and this is the SAME [REDACTED] who was the Leader in Life.

Our Leading SGA in DIVISION I was [REDACTED]

Our Leading SGA in DIVISION II was that same [REDACTED]

There are a few guys I want to mention who did such a fantastic job in DOUBLE D.L.P production during MY MONTH.

There was [REDACTED] who is a young man possessed of a desire that just is never going to be denied. He started very slowly, but all of us knew that he had it. Now he's got a renewal account of almost \$300

IF YOU ARE NOT WRITING LIFE INSURANCE  
YOU HAVEN'T DISCERNED THE SPIRIT OF AMERICAN INCOME

The Leading State General Agent in DIVISION I was [REDACTED] His agencies produced almost a million dollars in combined premium for the first six months of this year. What I love most about [REDACTED] is that he thinks he has done a lousy job — that's why he is going to do a lot better the second half of 1973.

b6  
b7C

Our Leader in DIVISION II was [REDACTED] who takes everything very seriously, and the thing he takes the most seriously is WINNING. There isn't an agency in this nation that does anywhere near the job that [REDACTED] does relative to the union population in his state. You are going to see his name appear a few more times in this Production Letter, and he deserves every bit of the recognition he is receiving.

#### CATEGORY "A" WINNERS

##### 1973 MY MONTH WINNERS - A & H (Production Periods 1 - 6)

The Leader is [REDACTED] came with American Income in August of 1972. His renewals are almost \$400 a month. [REDACTED] Life persistency is 77% and his A & H is 75%. He writes it to STAY.

b6  
b7C

Runner-up was the answer to any General Agent's prayers [REDACTED]. He is knowledgeable, personable, and there isn't anyone more capable than [REDACTED]. His renewals are almost \$600 a month. And you deserve every penny of them too, Eddie.

DUANE WEBER was the Second Runner-up — this is the SAME guy that was the First Runner-up in Life.

The Third Runner-up was [REDACTED] of Arkansas. [REDACTED] is young, full of drive . . . what a future he has ahead of him with American Income. [REDACTED] was one of those young men who came . . . left . . . and returned. The result: a renewal account that is almost \$500 a month.

b6  
b7C

Our Leading General Agency in DIVISION I was [REDACTED]

In one year, these three young men have achieved on their General Agency account alone renewals of almost \$3000 a month. I guess you are getting the idea of what we're trying to tell you, and what these three gentlemen know and see and even feel. Yes, when you talk about OPPORTUNITY UNLIMITED to [REDACTED] well, they take it to the bank every month.

Our Leader in DIVISION II was that same great young man who was the Leader in Life, and that is [REDACTED]. Just leads me to believe that [REDACTED] trains his men to sell people what they need — whether it be Life or A & H. Our union clientele deserves no less than the kind of committed leadership that [REDACTED] provides.

Our Leading State General Agent, DIVISION I, was [REDACTED] — and it's the SAME [REDACTED] who was the Leader in Life.

The Leader in DIVISION II was [REDACTED] You may get tired of seeing his name in this letter, but I never get tired of talking about it.

##### 1973 MY MONTH WINNERS - LIFE (Production Period 6)

The Leader was [REDACTED] and this is that same [REDACTED] that was the Third Runner-up in year-to-date annualized A & H. This [REDACTED] however, switched over to writing Life. How well he is doing is best attested to the fact that he won.

b6  
b7C

Runner-up was DUANE WEBER, and we've told you about this great young man.

The Second Runner-up was [REDACTED] of Tampa, Florida. He's another one of the quiet ones here at American Income. He just decided to go all out in this year's MY MONTH Production Period and give it his ALL,

SCREW AND BOLT CORPORATION

1320 ELESWORTH INDUSTRIAL BLDG., N. W.  
P. O. BOX 20037 STATION N ATLANTA, GA. PHONE 351-27  
30325 AREA CODE 4

To Whom It May Concern:

Mr. Duane L. Weber was an employee of Interlock Screw, and Bolt Corporation for approximately one (1) year.

His past record with this company was one of the best. He started here as Sales Desk Representative and worked his way up to Purchasing Agent of Interlock in this Branch.

As his former supervisor, I would like to say that his attendance was perfect, his attitude very good, quality of work was very good, quantity of work was excellent, and his relationship with his fellow employees was the very best.

I would recommend Mr. Weber for employment with any company because of his qualifications and his past record with our company.

Unfortunately when our company was faced with a cut-back of employees due to circumstances we had to release some of our manpower in order to survive. Mr. Weber being one of the younger members of our organization was faced with release.

It is sincerely hoped that this correspondence will serve as a spokesman in Mr. Webers behalf.

Sincerely,

b6
